

Lecture

BY FLORIAN ENGERT
HARVARD UNIVERSITY

Dear colleagues,

We would like to remind you of the upcoming lecture on monday by guest speaker **Florian Engert** from Harvard University, who will present **“Carving Circuits from Connectomics”!**

Afterward, starting at 3:30 p.m., we invite to an informal get-together over a barbecue.

Location: Ebbinghaus

Language: English

Date: September 28, 2026

11:00–12:00

All members of the institute are warmly invited to attend!
We look forward to seeing you there!

28.09.2026

11:00 a.m.
